QUEEN'S UNIVERSITY
DEPARTMENT OF CLASSICS
KINGSTON, ONTARIO

Mr. Weisberg—

Around March 6 I plan to deliver a public lecture at Queen's University concerning the Kennedy assassination and the Warren Report.

In recent correspondence to me you mentioned that you have pictures of Billy Nolan lovelady wearing the checkered shirt that you describe in PW, p. 294. If it is possible for you to do so, would you please send me a copy of one of those pictures. I would be glad either to purchase the copy or to borrow it and return it to you after I have used it in the lecture. Naturally, I give you my firm promise that

the picture will not appear in print and that it will not leave my possession.

I note in your letter that you "are not at liberty to use" the pictures. If the prohibition does not interdict me from "using" one of the pictures in a public lecture, I would greatly appreciate having one. It is not necessary, since I can merely report your disclosure in PW, but it would be very helpful.

Sincerely yours,

Dick Bernabei
